

## LX & BEYOND NATIONALS ADDS EAST COAST MODERN STREET HEMI SHOOTOUT

**A**ttention modern Mopar racers: The weekend of July 17-18 at Salem, Ohio's Quaker City Raceway is shaping up to be huge. The LX & Beyond Nationals has added the East Coast Modern Street Hemi Shootout Series to the weekend schedule.

The East Coast Modern Street Hemi Shootout Series is a heads-up points series for all Gen III (5.7L and 6.1L) Hemi-based

vehicles. Its '10 season got underway in Bradenton, Florida, in February and concludes at Atco Dragway in November.

There's also bracket racing at the LX & Beyond Nationals for those who enjoy bracket racing competition (or who don't want to race heads-up).

## GET THE RIGHT COMBINATION with Edelbrock!

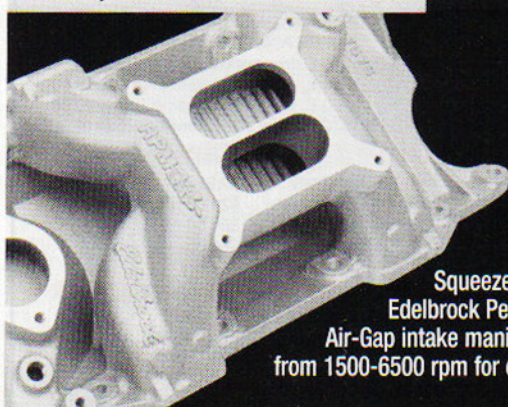

### 440 PERFORMANCE

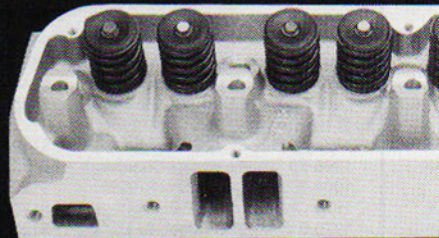

Get great performance for your 440 with Edelbrock RPM 440 cylinder heads. These heads are ideal for street performance and muscle cars for horsepower up to 6500 rpm. Features include optional 84 or 88cc combustion chambers and angled spark plug locations. Match with an Edelbrock Performer RPM 440 intake manifold to get the best 440 performance!

### 340/360 PERFORMANCE

Squeeze more horsepower from your 340/360 with Edelbrock Performer RPM cylinder heads and an RPM Air-Gap intake manifold. This RPM combination works best from 1500-6500 rpm for optimal performance and engine efficiency.

### DON'T FORGET THE GASKETS!

Use Edelbrock gaskets for all your intake manifold and cylinder head applications for a leak-free installation.
